

Introduced by Senator Dutton

February 16, 2007

An act relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

SB 307, as introduced, Dutton. Goods movement.

The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, authorizes the issuance of \$19.925 billion of general obligation bonds for various transportation purposes, including \$2 billion to be deposited in the Trade Corridors Infrastructure Fund in the California Ports Infrastructure, Security, and Air Quality Improvement Account to be available, upon appropriation by the Legislature, for allocation by the California Transportation Commission to highway system and freight rail system improvements along federally designated trade corridors of national significance. In determining projects eligible for funding, the commission is required to consult the Goods Movement Action Plan prepared by the Business, Transportation and Housing Agency and the California Environmental Protection Agency.

This bill would state the intent of the Legislature to incorporate the Southern California National Freight Gateway Strategy into the Goods Movement Action Plan.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to incorporate
- 2 the Southern California National Freight Gateway Strategy into
- 3 the Goods Movement Action Plan prepared by the Business,

- 1 Transportation and Housing Agency and the California
- 2 Environmental Protection Agency.
